

2017 ACS AUCTION & BOND RACE

GENERAL INFORMATION

The **Atlantic City Seashore (ACS) Racing Pigeon Club** thanks you in advance for your interest in our 2017 Bond Race, which benefits our building fundraising goal. The following information will guide everyone during the process.

If the Race Committee missed anything major, please email the concern to Rohan Fyffe (rohanfyffe@comcast.net). The racing committee will convene to discuss and then **ALL** decisions will be final.

Please bookmark our club website on your cell phone and computer and remember to REFRESH often, to ensure that current information is viewable and not old achieved WebPages (F5 on your home/laptop computer).

BREEDER INFO:

Thank you for considering sending in your healthy birds to compete in our area. The ACS Bond Race will help you test your breeding, by giving you valuable performance information that will help you solidify long-term breeding plans. Auction dates are as follows:

- **Friday, March 31, 2017 (7:00pm start time) @ the Perth Amboy Club House, 806 Central Pl., Perth Amboy, NJ 08861**
- **Friday, April 14, 2017 (7:00pm start time) @ the Lennox Park Club House, 700 Chestnut St., Trainer, PA 19061**
- **Sunday, May 7, 2017 (1:00pm start time) @ the Lennox Park Club House**

The ideal time to send in your healthy birds is 1week to 4 days prior. It takes 2 days, on average to receive the shipping container. You will get a confirmation email, text or voicemail to acknowledge receipt of your package from Rohan Fyffe.

Please call, text or email Rohan Fyffe to give him heads up notice of bird shipment.

After the auction, you will be informed of the handler(s) of your bird(s) and be provided with their contact information. ***We will encourage all handlers to have OPEN COMMUNICATION with you, but the level or frequency of updates will totally depend on the handler himself/herself. The Racing Committee cannot force any handler to communicate with you.*** Just prior to shipping night, we will encourage all handlers to provide an update to their breeders on bird status/availability or overall condition for competing. If this communication strategy is effective, breeders can share in all typical race day excitement.
